TOGETHER WE BUILD HOMES AND HOPE

Every business that partners with Habitat makes a difference that lasts. We bring people together to offer hardworking, low-income families and individuals the opportunity to build and purchase their own safe, affordable home. With your help, families in need can build strength, stability and self-reliance through shelter.

If you'd like to learn how your company can make a positive impact in our community, we would love to speak with you.

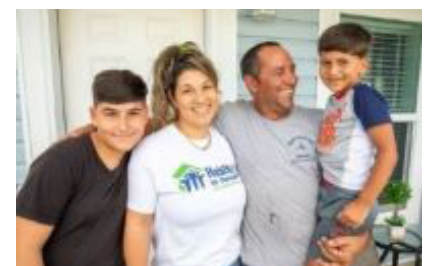

Contact Jill Tompkins at jtompkins@sshhabitat.org to discuss how you would like to support South Shore Habitat for Humanity's affordable housing mission.

- **REPUTATION** Joint marketing and co-branding with one of the strongest and most recognized brands in the United States can positively strengthen the company's image.

Does your company offer matching gifts? Many employers sponsor matching gift programs that will match tax-deductible charitable contributions made by their employees, doubling the impact! Let us know how we can help make your employees' gifts go further.
