Habitat Story

Based in Weymouth, we serve 35 cities and towns south and southwest of Boston. Founded in 1986, we work in partnership with the community to help local families living in inadequate housing move into decent and affordable homes of their own. With your help, Habitat homeowners achieve the strength, stability and independence they need to build a better life for themselves and their families.

Westwood, Stoughton, Hingham and Duxbury are our next projects. Interested in getting involved? For more information or to make a donation please visit sshahabitat.org

A Message From The Director

Don't miss our Habitat for Humanity golf tournament and the chance to see the cascade of several thousand golf balls plummeting toward the target. Our helicopter ball drop has great spectator appeal and three CASH prizes. Let us offer you a full day of fun and activity all to benefit the construction of affordable homes for local families in need.

FY'18 marks the start of our 31st year and with that comes a plan to further increase impact. We invite the community to join us as Habitat partner families help build their own homes alongside volunteers and pay an affordable mortgage. Habitat works to eliminate barriers to a better, healthier, more financially stable life. With your help, Habitat homeowners achieve the strength, stability and independence they need to build a better future for themselves and their families.

Whether it's our Hingham, Westwood or Duxbury projects, every gift makes a difference. Your support helps a family help themselves. We appreciate your thoughtful consideration and look forward to seeing you at tee time.

Yours in partnership,

Martine
