1. ABILITY TO PAY

You must meet income guidelines. Habitat serves families whose incomes do not exceed more than 80% of the area median income. The Department of Housing and Urban Development (HUD) determines the area median income, which is subject to change annually. Since you will be purchasing a home from Habitat, you must demonstrate an ability to make the monthly mortgage payments. These payments will include not only the mortgage payment, but also payments for real estate taxes and insurance, and in the case of condominiums, a monthly condo fee. Habitat mortgage payments typically do not exceed 30% of gross annual household income. We will request a credit report from a credit reporting agency and require verification of employment, income and current housing payment.

2. HOUSING NEED

You must demonstrate a need for housing beyond the desire to own a home. Consideration will be given to applicants whose housing is substandard, unsafe or overcrowded and are unable to obtain adequate housing through conventional means. Lack of adequate housing may include unsafe living conditions, problems with the housing structure, electrical, plumbing or heating, or overcrowding (more than 3 family members sharing a bedroom). Additionally, consideration may be given to those who have housing costs that are excessive in relation to their annual income.

3. WILLINGNESS TO PARTNER WITH SOUTH SHORE HABITAT FOR HUMANITY

If selected and approved, you become a “Family Partner.” As a Family Partner, you must complete “sweat equity” hours by volunteering. These hours may be completed through a variety of ways including, construction of your home, participation in financial education and homeowner workshops and participation in affiliate activities. As a Family Partner, you must complete between 250-500 hours of sweat equity. In some instances, if a partner is disabled or otherwise unable to do physical labor, the Habitat office will work out an alternative plan. From the time you move into your home, you will be responsible for maintenance and repairs of your home. Once you are approved as a Family Partner, you are encouraged to maintain an on-going relationship with South Shore Habitat for Humanity.

South Shore Habitat for Humanity does not discriminate in the selection of households on the basis of race, color, national origin, disability, age, ancestry, children, familial status, genetic information, marital status, public assistance reciprocity, religion, sex, sexual orientation, gender identity, veteran/military status, or any other basis prohibited by law.
